Meet your new Home! Welcome to 26 Peacock Dr., an updated bungalow situated along a lovely tree-lined street, close to all amenities, and just across the road from a greenspace and playground. Great location! Walk in to find an inviting living rm w/a nice floorplan that flows into the dining area and updated kitchen. You'll love the easy-care plank floors throughout (no carpet here!), that lead to the main bthrm featuring a new walk-in shower. The three bdrms on the main floor include one w/patio door access to a large maintenance-free deck and gazebo. The finished bmst offers lots of space and a few additional rooms to use as you see fit! You'll find a SECOND KITCHEN here as well, along w/another full bthrm featuring a jetted tub. There is a large laundry/utility rm, and plenty of storage space too. Some practical upgrades incl. VINYL WINDOWS throughout, newer shingles, and HWT. Enjoy tending to the gardens in the private yard, or tinkering in the double garage (w/attached workshop too). Home Sweet Home!
